Says More Road Signs Needed

Garden Club Hears G. S. Steele

The Garden Club met Monday night, October 26, in the County Library. An interesting program was given by Mr. Grover E. Steele, Superintendent of the Appomattox Court House National Historical Park, who spoke to the members and their guests on **Reaching and Seeing Appomattox Court House National Historical Park.** Mr. Steele pointed out the need for the local people to become better informed on the park in order that we may be able to give more useful information and directions to the tourists when they come to visit us. He suggested that citizens should use the proper name for the park which is Appomattox Court House Historical Park instead of the terms "Old Court House," "The Surrender Grounds", etc. He also stressed the need for more road signs in the surrounding areas with the name of the Appomattox Historical Park shown. It was further suggested that the restaurants, motels, gift shops, etc. use placemats showing a map of the park area in order to advertise this historical spot. This practice is followed in almost all other locations where they have such a spot as this to advertise. Mr. Steele outlined the progress that has been made at the park listing all that has been done to make the place look as it did in Civil War days. He invited everyone to come out and see the restoration that has been made.

A business session followed the program. Announcement was made of a Lecture Demonstration on Christmas Decorations to be held at the Memorial Center, Blackstone, Va. on November 10, 1964 at 11:00. Club members are invited. Admission will be $1.00. Those attending will bring their own sandwich for lunch and coffee and dessert will be served by the local club.

Juding of arrangements and specimens in horticulture followed.

Rescue Squad Say "Thanks"

Appomattox County Rescue Squad, with two Saturday "roundups" already complete, say "thanks a lot' for the generous gifts already given to help them in their efforts to climb out of a "financial hole." Their new building, already being used needs additional funds to guarantee completion and adequate housing and protection for vehicles and for use as a meeting place by the Squad. Squad members and helpers are touring the county each Saturday, knocking on doors, and finding out that they have many, many friends eager to help them along.

If you wish to contribute and a Squad member hasn't knocked yet on your door, simply stop by Squad Headquarters, just behind West End Market, Rt. 460, Appomattox, on Saturday.

SOCIAL SECURITY

I favor a sound Social Security system and I want to see it strengthened. I want to see every participant receive all the benefits this system provides. And I want to see these benefits paid in dollars with REAL purchasing power.

We will not preserve the Social Security system if we saddle it with unnecessary burdens, such as medicare. We penalize every aged citizen if we thus bankrupt the system which protects them.
